

Giving Back

The Shakopee Mat Club has received a very generous level of support from the Shakopee Community. For this, we are truly grateful! “Adopt a Park” is our way of saying “thank you”.

The program is a cooperative agreement with the City of Shakopee, whereby, the team members and parents clean selected City Parks on an ongoing basis- 8 parks in all, to date.

This is fun for the Wrestlers- after a few minutes of picking up, they get to play at their adopted park. It also serves as a good reason to visit YOUR local park, once a month, and keep it looking nice.

If you would like to adopt your nearest park on behalf of the Shakopee Mat Club, or have any questions, please contact Andy Voit at:
